China Tech & Culture Journey 2027

Shanghai and Hangzhou Proposed Itinerary

Robotics, City Life & China–Europe Exchange

27 March – 4 April 2027 (provisional) | 9 days / 8 nights | Around 30 participants
English with Chinese–English interpretation

Discover two cities through culture, everyday life and selected robotics encounters. Three nights in Shanghai and five in Hangzhou mean one hotel change. Two proposed company visits and a half-day innovation salon leave more time for exploration and rest.

Shanghai and the journey to Hangzhou

Day	Theme	Programme	Location
1	Arrival & Welcome	27 Mar · Sat Arrive in Shanghai, check in and rest. Meet the group over a relaxed welcome dinner. No formal visits are scheduled.	Shanghai
2	Shanghai City Life	28 Mar · Sun Discover the Bund and the city on a relaxed guided walk. Enjoy the afternoon independently. An optional evening skyline experience can be arranged separately.	Shanghai
3	Heritage & Everyday Culture	29 Mar · Mon Explore Yu Garden and the old town or a historic neighbourhood. Discover contemporary Chinese consumer culture, cafés and everyday city life, with time to wander.	Shanghai
4	Shanghai to Hangzhou	30 Mar · Tue Transfer to Hangzhou after breakfast, check in and settle into the second hotel. Take a gentle afternoon walk by West Lake. Transfer mode and times are to be confirmed.	Shanghai → Hangzhou

Hangzhou at a more relaxed pace

Day	Theme	Programme	Location
5	Robotics & Free Exploration	31 Mar · Wed A proposed morning visit to Unitree Robotics, exploring robotics products and applications. Keep the afternoon free to discover Hangzhou or rest. Host confirmation is pending.	Hangzhou
6	Longjing Tea & Village Life	1 Apr · Thu Spend a relaxed day experiencing Longjing tea culture and walking through a tea-growing village. Allow time for conversation and rest. Venue and seasonal activities are to be confirmed.	Hangzhou
7	Robotics & Conversations	2 Apr · Fri A proposed morning visit to Westlake Robotics. The afternoon is free, with an optional informal conversation for participants who want to reflect on the visit. Host confirmation is pending.	Hangzhou
8	China–Europe Innovation Salon	3 Apr · Sat A relaxed half-day morning salon with a few short project introductions, small-group discussions and open networking. No mandatory pitch or written submission. Enjoy a free afternoon and a farewell dinner. Guests are to be confirmed.	Hangzhou
9	Departure	4 Apr · Sun Breakfast and check-out, followed by agreed group transfers. The departure airport or railway station and transfer windows will be confirmed around participants' flights. A return to Shanghai is not assumed.	Hangzhou / departure point TBC

Both company visits are proposed, not confirmed. Most afternoons and evenings remain free or lightly scheduled. Optional evening activities are separate from the base programme.

A lighter format for innovation exchange

Day 8: a half-day morning China–Europe Innovation Salon. A few short project introductions, small-group discussions and open networking build on the robotics visits. No coding experience, written concept or pitch from every participant is required. Guests and venue remain unconfirmed.

Participants may join discussions or listen and arrange voluntary follow-ups. No funding, orders or commercial outcomes are promised. The afternoon is free, followed by a farewell dinner.

Accommodation and pricing

Shanghai: 3 nights. Hangzhou: 5 nights. Breakfast included, with one hotel change.
Single occupancy: price TBC. Twin share: price TBC.
Prices depend on supplier quotations and final arrangements. Roommate matching and any single-room supplement must be agreed before commitment. International flights are excluded.

Planned inclusions

Eight hotel nights with breakfast: three nights in Shanghai and five in Hangzhou; scheduled group meals, including welcome and farewell dinners; the Shanghai–Hangzhou group transfer, scheduled local group transport and agreed arrival/departure transfers; two proposed company visits, a half-day innovation salon and scheduled cultural activities; bilingual coordination and Chinese–English interpretation.

Not included

International flights; visas; personal travel and medical insurance; meals during free time; personal spending; optional activities including optional evening experiences; extra hotel nights; transfers outside the agreed group windows.

Arrival and departure

Arrival is planned in Shanghai. Check-out on Day 9 is in Hangzhou. The departure airport or railway station and group transfer windows will be agreed around participants' flights; a same-day return to Shanghai is not assumed.

Programme status

Dates, hosts, guests, venues, transfer arrangements and prices are provisional. Final arrangements depend on host availability, supplier quotations and participants' holidays and flights. This is a discussion itinerary, not a confirmed booking offer. Visits do not imply partnerships or endorsement.
